1. **Meaning of Terms**

In this document:

1.2. The Organising Committee refers to the Sikh Games Committee formed by the hosting organization to host the Sikh Games in that year.

2. **Background**

2.1. The Australian Sikh Games is an annual event consisting of Cultural Carnival and Sports Tournament. Apart from cultural events participating teams and athletes get together from around Australia (and some from overseas) to compete in various sports, such as but not limited to, Athletics, Basketball, Cricket, Golf, Hockey, Kabaddi, Netball, Squash, Soccer, Table Tennis, Tennis, Tug-O-War and Volleyball.

2.2. Even though this is an annual national event, international participation is welcome. These Sikh Games are subject to the Constitution of the ANSSACC and the General Championship Rules, Terms and Conditions as laid-down by the ANSSACC. The Constitution, General Rules, Terms and Conditions are subject to change without notice. All international participation is also subject to valid/suitable visas as approved by the Australian Department of Immigration and Border Protection. Until further instructions are received from the ANSSACC, all international teams will participate on equal grounds with all Australian teams.

2.3. The participant must be able to demonstrate that he/she has been residing in the state/territory/country, which he/she is representing at the Sikh Games CONTINUOUSLY for a minimum of THREE MONTHS before the Sikh Games.

2.4. The Australian Sikh Games is a cultural and sports extravaganza, open to all spectators to visit and enjoy. This is one of the largest events of its kind in the WORLD!

3. **Basic Participation Criteria**

3.1. Whilst there are no restrictions as to who can visit and enjoy the Sikh Games, the participation in the sporting events is restricted to Sikh individuals only. For team-based sports, a participating team must be a Member of the Association. However, from time to time, the Committee may make special provisions, for example, invitations to non-Member teams or participation by non-Sikh players in certain events. Details of such provisions currently in place, if any, are detailed in Annex A (Special Provisions).
Definition of Sikh

32 For the purpose of the Sikh Games, a person is a Sikh, when he/she comes under one of the following categories:

3.2.1 A person who practices the religion of Sikhism, or
3.2.2 A person by virtue of at least 1 parent practices the religion of Sikhism, or
3.2.3 A person who is married to a person who practices the religion of Sikhism, or
3.2.4 A person who by formal identification is registered in his/her Birth Cert., Identification Card, Passport as being Sikh.

Any participant who arrives in Australia after 31st May of the previous year must produce a personal travel record and visa grant letter at or prior to the Manager’s Meeting. Failure to do so will result in the individual being disallowed from participating in the Games.

C) Clause 3.4 (B) cannot be used by holders of Sports Visas or Visitor Visas or temporary activity short stay visas or temporary activity long stay visas.

35 In the case of local (Australian) teams;

Holders of such visas cannot be eligible to play with only three months of residency in Australia prior to Games.

36 A player’s residence is determined by original of:
For a Country – Passport and Valid Visa indicating requirement in 3.4 above. Holders of Visitor Visas do not qualify as such, unless the player has been living in the relevant country and state for more than 3 months.

For a State – Driver’s Licence, School Enrolment or Utility Notice addressed to player proving residency of a State in Australia.

If a participant wishes to compete for a state/territory/country OTHER THAN their usual place of residence, or a club/team OTHER THAN their
usual club/team, the participant and the team manager must seek clearance from ANSSACC, through the Organising Committee, at least THREE MONTHS before the commencement of the Sikh Games.

The Organising Committee, in consultation with ANSSACC, can exercise this right as soon as they find that the person does not meet the participation criteria.

3.11 The Organising Committee forewarns all prospective participants who fall into ‘DOUBTFUL CIRCUMSTANCES’ (of being able to meet the Basic Participation Criteria) to seek clearance from ANSSACC, through the Organising Committee, BEFORE the tournament and preferably before registration, to avoid any unpleasant embarrassment and disruption to the event(s).

ANNEX A

SPECIAL PROVISIONS

1. Participation by Non-Sikhs

1.1 One non-Sikh player may be included in a team squad for women's sports that have seven players or less on the field (e.g. netball, 7-a-side soccer, basketball, volleyball, touch football, kabaddi, tug-o-war). Two non-Sikh players may be included in a team squad for women's sports that have more than seven players on the field (e.g. full field soccer, hockey, cricket). Two non-Sikh players and mixed (male & female) teams are allowed in hockey. Residency rule and Pool teams are not applicable for hockey.

1.2 Teams may include Non-Sikh male and female players who have participated in previous Annual Sikh Games (i.e. prior to 2017), subject to providing satisfactory evidence to the ANSSACC Executive Committee that the players concerned had participated in the Australian Sikh Games at least twice (i.e. two years). No new Non-Sikh players are allowed to compete in men’s sports from 2017 onwards.

1.3 The above provisions are subject to the following conditions:

   1.3.1 Non-Sikhs who are professional players or played at state level or higher are excluded.

   1.3.2 The organization/club proposing to include non-Sikh/s in an event is fielding only one team for that event.

   1.3.3 The organization/club has sought approval from ANSSACC, through the Games Organising Committee, at least three months prior to the Games.

2. Pool System for Team Events

2.1 The pool system is designed to maximise participation from eligible athletes in all sports. It is acknowledged from the very start that this is not a perfect solution but it does partly solve the problems of athletes who do not have teams in their place of residence and teams that require additional players.

2.2 Any player who meets the Basic Participation Criteria can nominate for a Team Sport by filling out the Pool Nomination Form, and paying the appropriate fees set by the Organising Committee, prior to the deadline for Team Sheet Submission.

2.3 Any team that has unfilled places in their squad can nominate to take one or more players from the Player Pool by advising the Executive Committee via the National Sports Coordinator.

2.4 Applicants in the Player Pool will be allocated by the Executive Committee to teams prior to the commencement of the tournament, using an allocation methodology that it deems to be appropriate.

2.5 Once the allocation of players to teams has been completed, the player will be restricted to play for the team they were allocated to for the duration of the
tournament.

26 The Executive Committee reserve the right to refuse an applicant’s request to nominate for the Player Pool or a team’s request to be allocated a player from the Player Pool, where this is deemed to be a manipulation of the pool system. An example is where a team is continually using the pool to target a specific player from another region, rather than finding and developing its own players.
